- SUPPLEMENTARY INFORMATION, TO SUPPORT YOUR APPLICATION
- PROOF OF RELEVANT TRAVEL/ACCOMODATION COSTINGS

(THESE ENDORSEMENTS MUST BE ENCLOSED IN ORDER TO CONSIDER YOUR APPLICATION)

SOUTH AYRSHIRE SPORTS COUNCIL
SPORTS AWARDS

PURPOSE AND SCOPE:

This wide ranging scheme of financial aid and grants is designed to assist:-

1. Individuals with potential or proven ability
2. Area teams or squads
3. Coaches and Officials

Support is offered to help meet the additional training or competition commitments required to move from a local level of performance to an Area or National standard.

Individuals or teams will normally plan their programme for training and competition on an annual basis. Applications should therefore be made to cover the total programme.

The aim is to supplement, rather than replace, voluntary effort and applicants must show evidence of their own commitment and performance. In addition, endorsement and comment by the appropriate Club/Area Association or governing body of sport is required.

GRANTS POLICY AND GUIDELINES

1. EQUIPMENT –

Only specialised equipment will be considered, and only then, when the Executive deems it to be unreasonable for the Club or individual to provide it as normal ongoing material.

2. TRAVEL AND ACCOMMODATION –

(a) Competitions:

(i) Voluntary Attendance –

No grant will normally be awarded.

(ii) Selective Attendance –

A grant will only be considered on the first occasion of a candidate's selection to a specific level of performance.

(b) Coaching:

(i) Voluntary Attendance –

No grant will normally be awarded.

(ii) Selective Attendance – A grant will only be considered when it is felt that a candidate will reach a higher level of attainment.

3. Training Costs - Applications will only be considered for specialist training courses, but not for practice. This will refer to either individual or squad training costs and should be non-recurring.

4. **Level of Grant** - Where an element of accommodation is included in a total package, that element will not normally receive more than 50% contribution. Where no "accommodation" is involved, the entire course fee and travel may be considered for the full grant.
5. **Attendance** - All applicants, personal or Clubs may be asked to be in attendance for provision of additional information when a grant application is considered by the Grants Committee. In the event of further information being sought regarding an application, if this information is not produced prior to the next meeting of the Grants Committee, the Application shall be considered to have been withdrawn. An updated financial statement, together with the last balance sheet in respect of Clubs, must be made available.
6. **Sponsorship** – Sponsorship may be considered where the executive deem appropriate in order to promote South Ayrshire Sports Council.
7. **Period of Grant Aid** – only one grant will be made in any financial year, that year to run 1 April/31 March.

ADMINISTRATION ARRANGEMENTS:

1. Application forms available from South Ayrshire Sports Council, Citadel Leisure Centre, South Harbour Street, Ayr KA7 1JB (01292 612391), Sportsdevelopment@south-ayrshire.gov.uk or from the web page: www.sayrsportsc.co.uk, should be completed and submitted with the appropriate documents.
2. The Club and Area Association or governing sports body should endorse and comment on the application. Where several applications are being submitted for consideration at the same time, the sports body must indicate the priority and rank order of the applicants.
3. **Retrospective grants will not be considered.** Notification of all grant applications must be received prior to the event or participation.

Additional points to be borne in mind when considering applications.

When dealing with the appeals for financial support for categories other than individual participation, coaching and officiating grants, the Sports Council will always take into account the annual subscriptions imposed by clubs, together with the weekly charges. It is the view of the Sports Council that annual subscriptions and weekly charges should be realistic and that this expectation should apply equally to youth and adult clubs. Weekly charges should reflect realistically the facilities used by the club and the facilities offered to members. It is the view of the Sports Council that the parents of young people taking part in club activities must recognise the costs involved in running youth teams and must be prepared to contribute towards these costs.

Sportsmen and sportswomen must recognise that participation in club activities does not end there and that the financial position of the club must be given due regard. Members must therefore be prepared to pay realistic charges for the privilege of taking part in their particular sport or activities and be prepared to be involved in appropriate fundraising activities.
